It is the 18<sup>th</sup> of November, 2021. Amadou Gallo, Senior Finance Manager at Frinta has forwarded you the following email from the company's Finance Director, Taras Kononenko

**To:** Amadou Gallo; Senior Finance Manager

**From:** Taras Kononenko; Finance Director

**Subject:** 'Devising' a plan for the future.

Hi Amadou,

Just got out of our monthly meeting with David and the rest of the board. Like the company has been stating in almost all its past town hall meetings, it is important that our organisation looks for new diverse avenues to ensure we don't become stagnant. As was the case with our controls market reaching the maturity stage, we were able to seamlessly transcend into the market of smart speakers that not only complemented our heating and ventilation controls, but also opened up avenues to complement smart devices that were compatible with our speakers.
